Transparent Assessment and Efficient Grievance Redressal Mechanism

Government College, Bahu, Jhajjar prides itself on a transparent and robust mechanism for internal and external assessment, adhering strictly to the university's rules and regulations. This commitment to transparency and fairness is foundational to the institution's educational philosophy.

1. Internal Assessment Mechanism

The internal assessment process at Government College, Bahu, Jhajjar is meticulously structured to ensure fairness and clarity. The college adheres to the academic calendar of the university, ensuring all assessments are timely and systematic. Internal assessments are based on a combination of attendance, class tests, and assignments. This multi-faceted approach ensures a comprehensive evaluation of a student's performance.

A schedule for internal assessments is prepared several weeks before the examinations and is strictly followed. This allows students ample time to prepare and understand the criteria on which they will be evaluated. In case of any objections or discrepancies regarding the internal assessment, students can directly approach the subject teacher or the respective department. This direct line of communication ensures that issues are resolved promptly and efficiently.

Moreover, the college provides a second chance for students who fail to attend the class tests, thereby promoting a fair opportunity for all to succeed. This policy underscores the institution's commitment to supporting student success while maintaining academic integrity.

2. External Assessment and Examination Conduct

Government College, Bahu, Jhajjar ensures a healthy and conducive environment for the smooth conduct of external examinations. The college is unwavering in its commitment to uphold the principles of quality education and integrity. Any form of malpractice or unfair means during examinations is strictly prohibited, with stringent actions taken against any violations. This strict vigilance helps maintain the sanctity and credibility of the examination process.

3. Grievance Redressal Mechanism

The institution has established a three-tier mechanism to address grievances related to examinations, ensuring a structured and timely resolution process. This mechanism operates

at the department, college, and university levels, providing a comprehensive framework for addressing any issues students may encounter.

- A. **Department Level:** Issues related to internal assessments are first addressed at the department level. This immediate attention helps in resolving concerns quickly and ensures that students can continue their academic pursuits without prolonged disruptions.
- B. **College Level:** Grievances related to annual examinations that cannot be resolved at the department level are escalated to the college administration. The college administration works diligently to investigate and resolve these issues, ensuring that the resolution is fair and just.
- C. **University Level:** For issues that require further intervention, the university level grievance redressal mechanism is engaged. This tier ensures that all student concerns are addressed comprehensively, with oversight from the highest academic authorities.

In conclusion, Government College, Bahu, Jhajjar exemplifies a transparent and fair assessment process, coupled with a responsive and efficient grievance redressal system. The institution's dedication to maintaining academic integrity, providing fair assessment opportunities, and resolving grievances promptly underscores its commitment to delivering quality education and supporting student success.
