## **Programme Outcomes (POs) and Course Outcomes (COs) at Government College, Bahu, Jhajjar**

Government College, Bahu, Jhajjar is dedicated to providing a comprehensive educational experience that equips students with the knowledge, skills, and values necessary for personal and professional success. The institution emphasizes clear communication and understanding of Programme Outcomes (POs) and Course Outcomes (COs) for all its offered programs.

### **A. Communication and Accessibility of POs and COs**

To ensure that all stakeholders are well-informed, the college prominently displays the Programme Outcomes and Course Outcomes on its official website. These outcomes are also shared with students through online resources and are reinforced during classes by teachers. Hard copies of the syllabus, lesson plans, and course outcomes are available in all departments, providing easy access for both teachers and students. This systematic dissemination ensures that everyone is aware of the academic expectations and goals from the outset.

### **B. Role of College Council and IQAC**

The College Council and the Internal Quality Assurance Cell (IQAC) play a crucial role in facilitating and enhancing the understanding and implementation of POs and COs. They organize regular meetings to discuss and grade the teaching faculty on their adherence to and delivery of the syllabi. This collaborative approach helps maintain high educational standards and ensures that teaching practices are aligned with the institution's academic goals.

### **C. Orientation and Mentorship Programs**

At the beginning of each academic session, an orientation program is conducted to introduce students to the various programs and their respective outcomes. During this orientation, students are encouraged to select courses that align with their interests and capabilities, fostering a personalized and goal-oriented educational journey. Additionally, the college conducts monthly mentor-mentee classes where students can discuss syllabi and other course-related issues. This continuous guidance helps students navigate their academic responsibilities and challenges effectively.

### **D. Holistic Education and Co-curricular Activities**

Government College, Bahu, Jhajjar is committed to providing not only quantitative but also qualitative education. The institution focuses on the overall development of students, aiming to stretch their potential to the maximum. This is achieved through a blend of curricular and co-curricular activities. The college offers a variety of programs, including the Athletic Meet, Talent Search Competitions, and workshops organized by committees such as NSS, Sports, Women Cell, Cultural, Placement Cell, and Legal Literacy Cell.

Students are actively encouraged to participate in fieldwork and voluntary services under the NSS programs. Outstanding NSS volunteers are recognized and awarded, promoting a culture of social responsibility and community service. The Placement Cell facilitates job fairs, providing opportunities for students excelling in academics and co-curricular activities to secure employment.

#### **E. Assessment and Continuous Improvement**

The college employs a robust framework for assessing the qualitative and quantitative performance of students. This assessment is based on class tests, competitive exams, attendance, and internal assignments. Students are motivated to self-evaluate and adopt strategies for continuous improvement. This systematic approach ensures that students not only meet academic requirements but also develop critical thinking and problem-solving skills.

#### **F. Conclusion**

Government College, Bahu, Jhajjar's structured approach to communicating and achieving Programme Outcomes and Course Outcomes reflects its commitment to quality education. Through clear dissemination of information, robust support systems, and a focus on holistic development, the institution prepares students to become well-rounded individuals and responsible citizens, ready to contribute positively to society.
