AISHE Code-C-50431

Date: 01.07.2024

Response 7.1.2 The institution has facilities and initiative for-

1. Alternate sources of energy and energy conservation measures.
2. Management of the various types of degradable and non degradable waste.
3. Water conservation.
4. Green campus initiatives.
5. Disabled, friendly, barrier free environment.

The college has following initiatives and facilities for the above points:-

1. Alternate sources of energy and energy conservation measures: - In collaboration with NTPC jharli, our institution has installed one solar power plant having capacity of 10 KW to efficient use of electricity and its conservation in the college.

2. Management of various types of degradable and non degradable waste:-

Solid Waste Management: - The college manages garbage collection and their proper disposal in the campus itself. Dustbins are provided in the campus in the campus i.e , corridors, lawns, washrooms etc. to keep the campus neat and clean.

Liquid Waste System: - The college manages the proper system of liquid waste through proper channels. Our institution has total 13 toilets. Liquid wastage from toilets is drained through the main drain.

E Waste Management:- There is no separate E- waste generated in the college campus. The cartridge of the laser printer is refilled outside the college campus.

3. Water conservation:- There is no rain water harvesting system in our college.

4. Green campus initiatives :- The college maintains beautiful lawns and has plants in its campus. The NSS unit of our college organised various awareness programs/ events in the campus. There is one Eco friendly club and Campus Beautification committee.

5. Disabled friendly barrier free environment:- The ramps and disabled friendly toilets available in the college. If required scribe for examination, the same will be provided only after written application with prior approval of the university as per rule.
